

Thermal Energy International Announces Grant of Stock Options

OTTAWA, ONTARIO - May 30, 2016 - Thermal Energy International Inc. ("Thermal Energy" or the "Company") (TSXV: TMG), a global provider of proprietary energy efficiency and emission reduction solutions to the industrial, commercial and institutional sectors world-wide, today announced that it has granted 1,500,000 options to purchase common shares of the Company to officers of the Company as part of an overall remuneration and incentive program.

The stock options were granted pursuant to the terms of the Company's stock option plan; are exercisable at \$0.05 per share; and have a five year term. These grants form part of an overall remuneration package for the officers. One third of the options will vest with the optionee on each of the first three anniversaries of the date of grant. Stock option grants are subject to necessary regulatory approvals.
