

Thermal Energy International Announces Upcoming Investor Conference Participation

OTTAWA, ONTARIO – April 20, 2021 – Thermal Energy International Inc. (“[Thermal Energy](#)” or the “Company”) (TSX-V: [TMG](#)) an innovative cleantech company and global provider of energy efficiency and emissions reduction solutions, has announced that [William Crossland](#), Chief Executive Officer, will participate in two upcoming investor conferences:

- [Planet MicroCap Showcase: Virtual 2021](#), taking place from April 20-21, 2021. [William Crossland](#) will be delivering a live 30-minute virtual webcast corporate presentation to 3000+ potential investors at 10:30 a.m. ET on April 21, 2021. His presentation on Thermal Energy’s proven, profitable, and sustainable growth story, and CEO Video Interview, will be hosted on SNN Network YouTube Channel and Social Media Channels reaching 13,000 followers. The Planet MicroCap Showcase Virtual Event brings together the most promising companies and the top dealmakers in MicroCap Finance for three days of company presentations, 1:1 meetings, and educational panels in The Premier Virtual Event in MicroCap Finance. To register for the event, [Click Here](#)
- [Benzinga Explore Cleantech Small Cap Stocks Conference](#), a virtual event taking place on April 22, 2021. At 10:30 a.m. ET, [William Crossland](#) will be speaking on a 30-minute Panel discussing the Business Case for Reducing Emissions. He will be participating in discussions with other executive leadership of small cap stocks that are leading the way in clean technology, to uncover the business reasons and benefits for reducing emissions, such as reduced energy bills and increased productivity. The conference gathers Small Cap companies, investors, entrepreneurs, and traders from across the globe, to explore small cap investment opportunities and learn the ins-and-outs of the industry. Following the event, the Company will publish two articles on [Benzinga.com](#) which receives 14 million monthly visitors, and syndicates content through a partner network that received over 50 million unique visits. To register for the event, [Click Here](#)

“In line with our continued investor engagement plan, in addition to our regularly scheduled 1:1 meetings with potential investors, these upcoming virtual events will enable us to present Thermal Energy’s proven, profitable, and sustainable growth story, and compelling valuation on a wider scale to an active base of small cap stocks companies, investors, and traders from around the world” said [William Crossland](#), CEO of Thermal Energy.

Recent Company Highlights:
