

## Thermal Energy Named to the 24<sup>th</sup> Annual PROFIT 200 Ranking of the Fastest-Growing Companies in Canada

**OTTAWA, ONTARIO – June 4, 2012** – Thermal Energy International Inc. (TSXV: TMG), a leading provider of custom energy and emission reduction technologies for energy intensive industries worldwide, today announced that it has been named to the 24<sup>th</sup> annual PROFIT 200 ranking of Canada's Fastest-Growing Companies by PROFIT: Your Guide to Business Success.

"Our inclusion in this year's PROFIT 200 ranking is a strong testament to our significant growth to date; and looking ahead we believe we are well positioned for further success," said William Crossland, President and CEO of Thermal Energy. "Our solutions enable our customers to recognize significant energy cost savings, meeting an increasingly important need for organizations worldwide. We will work to further expand our footprint across North America and Europe, as well as target new opportunities in other geographic regions by leveraging our growing sales force and global distribution network."

"The PROFIT 200 companies are an inspiration to Canadian entrepreneurs and would-be entrepreneurs," says Ian Portsmouth, Editor-in-Chief of PROFIT Magazine. "PROFIT is proud to celebrate the success of these businesspeople, who, despite a challenging economy, have achieved outstanding success in wide variety of fields."

Ranking Canada's Fastest-Growing Companies by five-year revenue growth, the PROFIT 200 profiles the country's most successful growth companies. Published in the Summer issue of PROFIT and online at PROFITguide.com, the PROFIT 200 is Canada's largest annual celebration of entrepreneurial achievement.
